## THE HERO'S OF TOMORROW ARE SHAPED TODAY!

Due to the hardships that COVID-19 has caused with students transitioning from an in-classroom setting to Virtual Learning, Respect & Honor Academy, Inc. hosted our very 1st Sweepstakes Giveaway where we donated 10 ChromeBooks to students ranging from ages 4-18. Students were required to submit a 1-3min video or a 1 page essay explaining their academic and professional goals and how the laptop would assist them towards achieving them! The testimonials we received were amazing! We received countless entries of kids expressing their desires to become lawyers, doctors, humanitarians, journalists, firefighters etc! They also spoke about their

desire to impact their communities and serve as positive role models for those coming after them. Our children are POWERFUL, but they need ALL OF OUR HELP if they are to have a chance at life! We must protect them, encourage them, support them and above all else LOVE THEM. We must show them positive examples and serve as a resource for them, to assist them on their journey! Respect & Honor Academy will continue to be on the forefront of this mission, we charge all those that are reading this to step up to the plate and join us as we continue to be the heroes our communities need!
